

The East Coast
Upgrade

Bringing your East Coast closer

We've started work to upgrade the East Coast Main Line. The work will reduce journey times along the route, bringing some of the UK's most exciting destinations closer to your front door.

Do not travel this bank holiday 24th-25th August 2019

We're starting work to improve the service along the East Coast Main Line, bringing faster, more reliable journeys across the route. We strongly recommend customers do not travel by train on these days.
